GREENWAY - CRACKLE S1

ADS - 03.1.28.00

Designed by Alex Fitzpatrick

Pure and simple. This version employs the Greenway engine with a crackle glass diffuser, providing a soft warm light with a hidden 8W warm white LED light source. The Greenway S1 fitting is comfortable on its own and great as a cluster or in a row.

Finish

- .85 Crackle Glass
- .86 Crackle Glass Amber
- .87 Crackle Glass Bronze
- .70 Clear Glass
- .72 Amber Glass
- .73 Bronze Glass
